Rubric - Chinese Dynasty Poster

For this assignment, you will create a poster for the _____ Dynasty. You will have two days to work on your poster in class(11/7 and 11/8). Your poster is due on 11/19 and will count as a test grade.

How will your poster be graded?

Title (2 points)

Put the name of the dynasty you've been assigned on the top of your poster with the years that it reigned (in parenthesis) underneath.

Map (5 points)

On the physical map provided, draw the boundaries of China during the reign of your assigned dynasty and color in that area red. Color all other land light green. Trace the rivers blue and color all other water blue. Use the internet or a textbook to find a map.

Time Line (10 points)

Create a time line that has at least 10 important events during the reign of the dynasty you've been assigned. Be sure to include the event that started the dynasty and the event that ended the dynasty. On your time line, include the name of the dynasty that came before and the dynasty that came after the one you are researching.

5 Interesting/Important Facts (5 points)

Provide a list of 5 interesting/important facts that people should know about the dynasty. Be sure to use complete sentences and **your own words**. These facts should be different than your time line events.

Pictures (8 points)

Include at least four pictures. Half of these pictures must be hand drawn. Each picture needs a caption. Remember, borders help make the poster look better.

Layout/Neatness (5 points)

Bonus (up to 5 points)

If you overlay your information on top of a background picture that fills up the entire space, you will earn up to 5 extra-points. See me if you decide to do this.

If your poster is selected to be displayed in the hall, you will receive bonus points.
